

join us!

for a special RA2 Select training event

Looking to grow your business with lighting control?

Join us for a comprehensive course to learn about RA2 Select — an upgradeable system that offers whole home lighting and shade control made simple.

During this course you will learn about:

- The smart home market and opportunity
- RA2 Select system components
- Lutron App setup through contractor mode
- Integration Partners

RA2 Select is now part of the Lutron PRO Program. Learn about the benefits of signing-up for this exclusive rewards program during class.

Who should attend?

This course is designed for any progressive contractor or integrator who is interested in learning how to make light, shade, and temperature control a profitable part of their everyday business.
